☐ Dual network interface that supports TCP/IP communication protocol.

☐ Built-in barcode & QR code scanner for reading pre-registered tickets.

☐ Built-in thermal printer for printing of visitor pass.

VMT300 - Visitor Management System Terminal

Technical Specification

Operating System	Windows 10
Hardware	Intel Quad-Core Processor 2.0 GHz CPU
Storage	64 Gb SSD; 4GB DDR3 RAM
Display Screen	Main Screen: 15.6-inch 1920 x 1080 Touch Screen
	Auxiliary Screen: 11.6-inch 1366 x 768 Screen
Camera	Dual 2MP
Csrd Format	Mifare Card or EM Card
Printer	58mm Thermal Printer, max 45mm roll dia
Code Scanner	Bar Code or QR Code
Communication	10/100Base-T x 2
USB Interface	2 nos.
Input Voltage	85 to 264 Vac
Output Voltage	12V, 8.33A
Working Temperature	-10°C ~ 55°C
Working Humidity	10% ~ 90% (non-condensing)
Working Condition	Indoor
Weight	17.64 kg
Dimensions (WxHxD)	400 x 426 x 390 mm
